Notes:

- The deadline pertains to an employer's action plan being 'closed' by said date. A 'closed' action plan means that "All topic(s) in an approved action plan have received its final validation results"
- If an action plan is not closed by the deadline, the employer may be eligible for the next available rebate cycle e.g. within the next 3 months
- Providers can 'work back' from these deadlines and outline employer evidence submission timeframes leading up to each noting that each provider's service level/offerings are different
- The deadline is approximately 4 weeks prior to the actual rebate run
- Rebate runs are scheduled on a Wednesday, one in each quarter
- WSIB will issue a refreshed schedule to program providers every 3rd quarter for the following year
