

Health and Safety Excellence program

Program at a glance:

What is the Health and Safety Excellence program?

- ➔ WSIB's only incentive program that gives you a roadmap to improve the health and safety of your workplace
- ➔ Delivered by a network of WSIB-approved providers with industry expertise which includes Workplace Safety North (WSN)
- ➔ Flexible, rolling entry, simple requirements and services across the province

Why should you join?

Earn **rebates** and **recognition** for your health and safety improvements

Receive **dedicated support** from WSN to address your health and safety challenges

Improve your workplace health and safety culture to **enhance productivity and innovation**

Follow these **steps** to start your journey:

STEP ONE:

Register with Workplace Safety North

Visit our program website at wsib.ca/healthandsafety to view provider profiles

You may wish to ask the following questions when choosing a provider:

Regions, industry and size of your business

- ➔ Which regions or areas does the provider serve?
- ➔ Which industries does the provider serve?
- ➔ What sizes of business does the provider serve?

Type of services

- ➔ Do I want to learn in a group setting with other businesses or receive one-to-one support?
- ➔ Do I want to learn online (e.g. webinars), in classroom, or a combination of both?
- ➔ Cost of services
- ➔ How much is the provider charging for their services?
- ➔ What type of services will be included in the fees?
- ➔ How do I pay the fees (e.g. percentage of my rebate)?

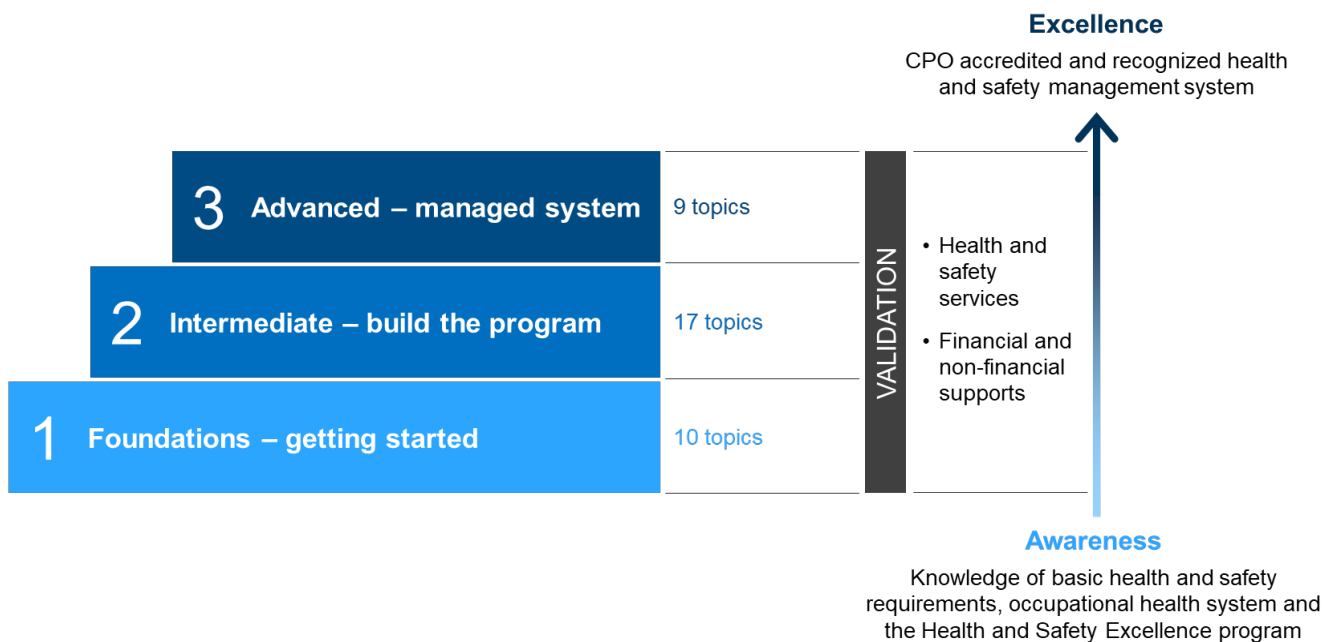

STEP TWO:

Complete the online health and safety assessment

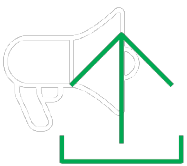

WSN will send you the link to access the online platform and complete the assessment.

The assessment results will recommend topics based on program levels.

STEP THREE:

Select 1-5 health and safety topics for your action plan

Once you finalize your action plan chosen your topics .Your action plans must be finalized within 90 days of creating your profile on the online platform

WSN will continue to guide you through the journey.
