

One-Day Symposium:

# Battery Electric Vehicle Safety in Mines

September 28, 2022 | Sudbury, ON

## Call for Papers: One-Day Symposium on Battery Electric Vehicle Safety in Mines

### Submissions open until Monday, August 1, 2022

A one-day symposium on battery electric vehicle safety in mines will be hosted by Workplace Safety North on Wednesday, September 28, 2022, from 8:30 a.m. to 3:00 p.m. in Sudbury, ON.

More than 100 mining industry professionals will attend for the opportunity to network and share knowledge about the risks associated with battery-powered equipment and explore ways to manage hazards.

Workplace Safety North invites proposals for papers to present at the symposium. Presentations can be between 45-minutes and 1-hour, including time for participant questions.

### Areas of focus for presentations include:

- Industry case studies
- Hazard management
- Equipment manufacturing
- Training and risk assessment

If you are interested in presenting a paper at the 'One-Day Symposium: Battery Electric Vehicle Safety in Mines', please complete the ['Call for Papers' form](#) by Monday, August 1, 2022.
